RE: LOW WEI LING (TP080089) - INTERNSHIP PROGRAMME

With reference to the above, we are pleased to confirm that **LOW WEI LING** is a student of the Asia Pacific University of Technology & Innovation (APU), attending the **Bachelor of Science (Hons) in Software Engineering** programme at our campus in Technology Park Malaysia, Bukit Jalil.

Students are strongly encouraged to complete the internship programme, as these opportunities afford them invaluable exposure to the operational dynamics and protocols prevalent in real-world business settings, thereby significantly enhancing their ability to achieve program objectives. With that, we support **LOW WEI LING's** request for the opportunity to carry out the internship with your esteemed organization. **LOW WEI LING** is to undergo this internship programme from **05 January 2026 – 26 April 2026.**

As part of our academic curriculum and in compliance with visa regulations by Education Malaysia Global Services (EMGS) as per Immigration requirements, it's important to note that for our international students, participation in internships is not only an integral component of their academic program but also falls within the parameters of their current student visas, ensuring full legal authorization and coverage throughout the internship period.

Should you require further verification or wish to obtain additional information regarding this student or the internship program, please do not hesitate to reach out to Ms. Mridula Chhettri (Internship Unit) at +603 8992 5254 or via email at mridula.chhettri@apu.edu.my.

For inquiries regarding advertising company jobs and internship opportunities, campus engagements, participation in the APU Mega Career Fair, conducting workshops, employer branding programs, employee upskilling initiatives and related matters, please feel free to contact Mr. Hari (APU Career Services) at hari@apu.edu.my for further assistance. Alternatively, you can also e-mail to talent@apu.edu.my.

Thank you.

Yours sincerely,

Kau Guan Kiat
